

DANPAL
AURA
LOUVRE SYSTEM

SHADE WITH STYLE

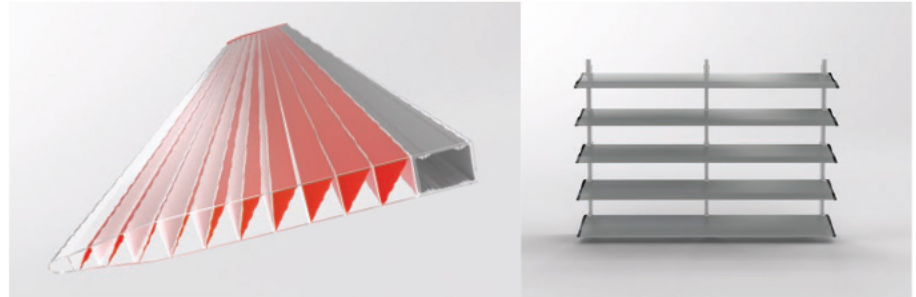

SHADING
SOLUTIONS

Aura is a new, dynamic shade-shift technology louvre system. It is a revolutionary concept, completely unique in its approach to external fixed louvre systems.

CREATE HIGH-QUALITY ENVIRONMENT INTERIOR SPACES

Aura allows you to colour with shade and ensure a comfortable interior space all year round. Our louvres increase your building's energy efficiency, enabling you to help save money and the environment. Reflect your style with a choice of unique 2-in-1 colour options - another first provided by DanpaShade® Aura.

UNIQUE SYSTEM BENEFITS

- Colour-Shift technology
- Z-Frame construction
- Horizontal or vertical installation
- Featherweight design
- Shade-shift properties
- Dual-colour integration
